## Commodore's Comment

We had 2 great presentations at last month's meeting. First Captain Tony from Vessel Assist showed some local adventures from the [Vessel Assist](#) archives, spanning recent boat fires to the recovery of a helicopter in the bay. At the end of Tony's presentation he generously gave away a Vessel Assist annual membership, congratulations to Don Mumby for winning and thanks to Tony for the donation!

Next we saw Captain Larry's latest adventure, this time in Croatia. For those of us who have not sailed in Europe, Larry's presentations are the next best thing to being there. Now that I've seen Larry's pictures, in my opinion some European slips look more like our raftups than an actual slip!

As we head into our last regular meeting of the year, we have another full agenda. Dave Baer will talk about racing rules plus we will have our annual election for 2013 bridge. We will also vote on some changes to the Constitution as discussed at the September meeting.

December 8<sup>th</sup> is our annual holiday party in lieu of a regular meeting - please join us and enjoy the photo contest, white elephant gift exchange, great door prizes, along with festive food and drink. We will have more information at this month's meeting including a sneak peak at some of the door prizes!

## Cruising Forum

### November Cruise

This month's cruise will be a sail to beautiful La Playa, November 24-25. Saturday afternoon we will have hors d'oeuvres on the boats and we will breakfast on board on Sunday morning.

Please confirm your intention to join the raft-up in La Playa.

**Note:** I can no longer register club members for our raft ups. The Port of San Diego requires all raftees/anchorees to sign up/register with them prior to rafting up in any anchorage in San Diego at least one day prior to our raft up. Their e-mail address is: <http://reservations.portofsandiego.org/boating/>

See you on the water,  
Larry Pascoe, Cruise Chair

### **2012 Racing Forum / Racing Schedule**

The Man O' War race was held on October 20<sup>th</sup>. Nine Catalina's competed.

The day began with question marks.

First, there was little breeze as boats assembled at the start area to check-in with the Race Committee boat.

Second, there was no Race Committee boat, either. After much waiting and circling, it was announced over the VHF that the committee boat had engine trouble and the RC would start the race from the shore.

The horn sounded at noon and racers set out on a course that went out the channel to buoy #5 and back. The wind was very light at the start but became up-and-down as boats made their way out the channel. Once beyond Point Loma, the wind became steady, *light* and steady, that is!

Copious quantities of kelp had boats zigging and zagging all along the course. Some played catch-and-release with the smaller pieces of weed but a few boats found some keepers and brought them back to the marina.
